Nha Trang is only a 40 minute flight from Saigon. It's well known for its lovely beaches, white sand, clear sky, and crystal blue sea all year round. Scuba diving has developed into a famous destination for international tourist. It's around one hour from the airport to your hotel in the city center. Make sure your camera is fully charged to record the beautiful coastline! After hotel check-in, let's warm up your day by visiting the Oceanographic Institute, the Cham Ponagar Tower or...lying on the beach is your choice.

Day 5: NHA TRANG – DA NANG – HOI AN

After breakfast at the hotel, our guide will pick you up to transfer you to the airport for departure flight to Da Nang – the third largest city, and the major port of central Vietnam. On arrival, you will be warmly greeted by our local guide, then transferred to Hoi An – 30km from Da Nang to the south-west. Hoi An is one of the oldest cities in South-East Asia, recognized by UNESCO as a Cultural Heritage Site. A walking tour is the best way to see the living museum offering ancient Chinese, Japanese and Vietnamese architecture and traditional Vietnamese hospitality.

Day 6: HOI AN FULL DAY DIVING

Beside the cultural sites, Hoi An also offers you a great chance to get out of the tourist path with snorkeling and scuba diving on Cham island. Dive sites around the islands range from coral gardens and reefs, wild rock formations, and underwater pinnacles.

Day 7: HOI AN RELAXING DAY

On this day, you can choose many activities in Hoi An, such as hire a boat from the waterside by the market place for a cruise on Thu Bon river to visit the carpentry and pottery village; or rent a bicycle to ride between the nearby paddy fields; visit the My Son holy land – the imperial city during the Cham dynasty; or just enjoy a cocktail on the beach with a good book! In the late afternoon, we will transfer to Da Nang airport for a departure flight to Saigon.

Sihanouk Ville offers splendid beaches with nice sand, pristine and tranquil water. Its charm results from a harmonious combination of mountains, islands, sea and beach, along with a mild climate, many scenic spots and an international seaport. After a long day of travelling, enjoy a dinner at a local restaurant featuring amazing Khmer cuisine along the beach before going to bed!

Day 9: SIHANOUK VILLE FULL DAY DIVING

In the morning, you will take a boat off-shore to a nearby island. Cambodian diving features less of the big species of fish found elsewhere, but much more diversity! Lots of lightly explored and completely unexplored destinations await you out there!!!

Sihanouk Ville's main attractions are its beautiful unspoiled natural beaches ranging from the popular Ocheteal, Sokha, Independent, Koh Pors (Hawaii beach) and Victory beach to the more isolated and natural Otres Treng beaches. It's really an unspoiled world and ideal for enjoying nature and a wonderful swim. Another well-known thing of Sihanouk Ville is the nightlife! The town-itself knows how to party and there's no shortage of bars and hotspots. So, why not have a drink, and relax after an amazing day, you earned it!

Day 11: SIHANOUK VILLE – PHNOM PENH - BANGKOK

It's time to say goodbye the little town to move to Phnom Penh for departure flight to bustling Bangkok. You have your (little) time here to feel the beat of Bangkok with your own drum!
